**SUSPENSIONS / SOSPENSIONI**  
**MAIORCA**

The Arcipelago collection is composed of suspension and table lights, characterised by the Trevira CS fire-resistant shade with fringes and a satin brass body – details that enrich the product. The light source is an LED customised and dimmable plate, which can be regulated through a three-phase dimmer switch on the base in the table version.

La collezione Arcipelago è composta da lampade a sospensione e da tavolo, caratterizzate dal diffusore ignifugo Trevira CS con frange e corpo in ottone satinato, dettagli che arricchiscono il prodotto.
