

Athena

Massimiliano Raggi

Athena è una lampada da tavolo caratterizzata da rettangoli (la base) e ovali (il paralume), che si completano a vicenda. Il paralume può essere realizzato con tessuti ad alta matericità: effetto marmo o cotone bianco, per un tocco couture. La base è in rovere tinto testa di moro, con inserti in finitura nickel lucido per enfatizzare il senso di equilibrio. Athena è un pezzo versatile che si adatta facilmente a diversi contesti.

Athena is a table lamp characterised by rectangles (the base) and ovals (the shade), which complement each other. The shade can be made with highly tactile fabrics: marble effect or white cotton, for a couture touch. The base is in dark-brown stained oak, with polished nickel finish inserts to emphasise a sense of balance. Athena is versatile piece that easily adapts to different contexts.
