Baggy is the most experimental expression of Contardi's decorative style, inspired by the oversized trousers it is named after. With its irregular shape, Baggy challenges the typical precision of the brand, offering a bold design. Each lamp in the collection consists of modules of different sizes, allowing for great compositional freedom. The soft rope adds an unexpected detail, and the 360° light sources make it a functional lighting object.

Baggy è l'espressione più sperimentale del decorativo Contardi, ispirata ai pantaloni oversize da cui prende il nome. Con la sua forma irregolare, Baggy sfida la precisione tipica del brand, proponendo un design audace. Ogni lampada della collezione è composta da moduli di diverse dimensioni, permettendo una grande libertà compositiva. La morbida corda aggiunge un dettaglio inaspettato e le sorgenti luminose a 360° ne fanno un oggetto dall'illuminazione funzionale
