Baggy è una collezione eclettica di lampade dal mood informale e giocoso, come i pantaloni oversize che ne ispirano il nome.

Le lampade Baggy sono disponibili come moduli singoli di diverse dimensioni che consentono una totale libertà di composizione.

La sospensione verticale Baggy ha un diffusore in policarbonato bisatinato dall'aspetto irregolare, come fosse un tubo di carta stropicciato, mentre il rosone è nella finitura laccato bianco opaco.

La caratteristica corda tessile morbida bianco/grigio – dettaglio che esprime la cifra stilistica archi-decorativa del brand – sorregge la lampada nella versione a sospensione orizzontale e diventa elemento di raccordo per le varianti da tavolo e da terra. Ciò che rende speciale Baggy è la forma organica, contenente un LED personalizzato che emette luce in modo magico e inaspettato.

Baggy is an eclectic collection of lamps with an informal and playful mood, like the oversized trousers that inspire its name.

Baggy lamps are available as individual modules of different sizes that allow total freedom of composition.

The Baggy vertical suspension lamp has a double-satin polycarbonate diffuser with the irregular appearance of a crumpled paper tube, while the ceiling rose is in matt white lacquered finish. The distinctive soft textile cord in white/grey – a detail that expresses the brand's archi-decorative stylistic code – supports the lamp in the horizontal suspension version and becomes a joining element for the table and floor variants. What makes Baggy special is the organic shape, containing a custom LED that emits light in a magical and unexpected way.
