

Calypso ap

Servomuto

Ispirata al periodo dell'art déco, che trova la sua massima espressione negli anni '20 del secolo scorso caratterizzandosi per un gusto moderno e geometrico, la nuova Calypso Ap mescola sapientemente, come in una ricetta perfetta, tessuti dalle trame e motivi rigorosi con colori accesi ispirati alla cultura sudamericana e tropicale, in un abbinamento estroso che fa di Calypso un prodotto esclusivo e con un forte impatto visivo.

La versione applique è caratterizzata da un braccio sottile ed elegante con finitura laccato nero seta opaco e un anello in ottone satinato che sorregge la lampada. Il paralume in tessuto, in grado di giocare con materiali differenti, nei modelli Antigua, Guadalupe e Martinique è composto da forme, decori e colori differenti per completare gli spazi all'insegna della libertà creativa. Il diffusore, in vetro trasparente, contiene una lampadina LED dimmerabile.

Inspired by the art deco period, which found its maximum expression in the 1920s and is characterized by a modern and geometric taste, the new Calypso Ap skilfully mixes, as in a perfect recipe, fabrics with rigorous textures and patterns with bright colours inspired by South American and tropical culture, in a whimsical combination that makes Calypso an exclusive product with a strong visual impact.

The wall lamp version is characterised by a thin and elegant arm with a matt silk black lacquered finish. It also has a satin brass ring that supports the lamp. The fabric lampshade, capable of playing with different materials, in the Antigua, Guadalupe and Martinique models is composed of different shapes, decorations and colours to complete spaces in the name of creative freedom. The diffuser, made of transparent glass, contains a dimmable LED bulb.
