A decisive statement, this lighting bar emits a line of brightness that illuminates and delights. Fly is a versatile lamp that can be used in different rooms of the house, or in the commercial and hospitality sectors. Fly's light bar, thanks to the "vela" accessory, is delicately shaded by a textile diffuser in either white cotton or Calacatta marble-effect fabric. Fly Remote/Wall-mounted provides double light emission, direct and indirect.

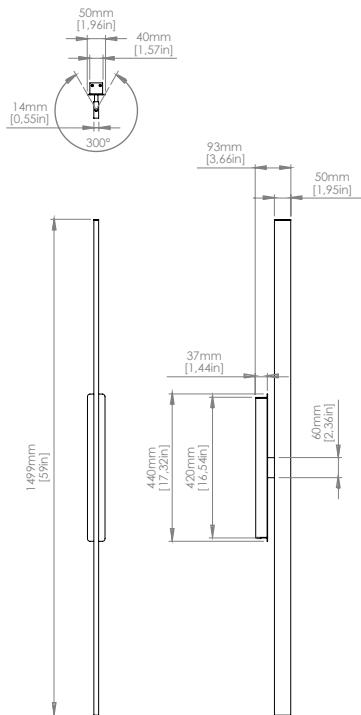

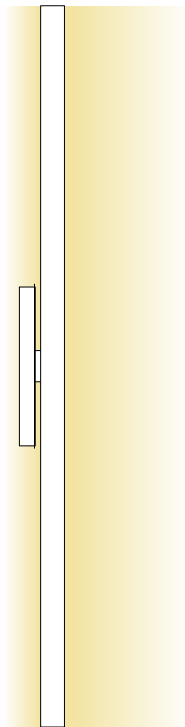

Fly Picture is offered in the 600, 900 mm and in the new XL version 1800mm of length, to cover larger surfaces. Suitable for use in the bathroom, above mirrors, it has IP44 protection.

Dalla forza espressiva decisa, il suo segno grafico diventa una scultura che illumina e delizia. Fly è una lampada versatile che può essere utilizzata in diversi ambienti della casa, oppure in ambito commerciale e hospitality. Il profilo luminoso di Fly, grazie all'accessorio "vela" può essere delicatamente ombreggiata da un diffusore tessile in cotone bianco o tessuto effetto marmo Calacatta. Fly Remote / Applique prevede una doppia emissione luminosa, diretta e indiretta.

Fly Picture è proposta nelle versioni da 600 mm, 900 mm e nella nuova versione XL da 1800mm di lunghezza, per rivestire superfici più ampie. Adatta per l'uso in bagno, sopra gli specchi, ha protezione IP44.
